

Delight

Love outrageous, You have rescued me from
The hell I warrant, You have given me Your life
Your Kindness turns my wayward heart back to You
How great You love, You're my souls rejoicing song,

I delight myself in You
Oh Lord, there's nothing that
I desire, but You my Joy
Oh Lord You satisfy me

Joy-creator, only You could tame this
Thirsty soul, and the hunger in my heart
I'll run to You for this world is empty
You're my treasure, You're the one I'm living for

I will tell the world of You
I will boast in all You do
I will trade it all for You
And give You praise
