

**This Is Redemption**

© Steven Patterson/ Josh Wilson Rooted Publishing/ASCAP 2006

For all of us in need of help  
Or those who think they're doing well  
For the weary and heart broken  
Or the strong and the outspoken

HIS LOVE IS GIVEN TO ALL  
HIS BLOOD HAS PAID IT ALL

This is redemption written in his blood  
This is forgiveness, the guilty go free  
This is redemption, sinners get heaven  
This is a love song for those who believe

For the poor and suffering  
Or the rich who think they have no need  
For the liar and the criminal  
Or the proud and egotistical

How great is Your love.....
